

Quality • Consistency • Dependability

Composite Cord Strap

Composite cord polyester strap, when used in combination with buckles, provides one of the strongest and most reliable joints among all other load securing solutions.

Part #	Sort Name	Width	Length	Break Strength	Color	Qty/Box
41011	CC12750	1/2"	3600'	750 lbs	White	2
41012	CC581000	5/8"	2800'	1000 lbs	White	2
41013	CC581200	5/8"	2500'	1200 lbs	White	2
41015	CC341350	3/4"	2150'	1350 lbs	White	2
41017	CC11850	1"	1650'	1850 lbs	White	2
41018	CC12200	1"	1650'	2200 lbs	White	2
41019	CC1143550	1-1/4"	1000'	3550 lbs	White	2

Woven Strap

Woven strap is the most flexible steel replacement strap and it can be fastened with a buckle or hand tied. Woven strap can absorb impacts and load shifting that would normally break steel banding and it will not lash-back when cut.

Part #	Sort Name	Width	Length	Break Strength	Color	Qty/Box
42021	CW58770	5/8"	3001'	770 lbs	Yellow	2
42025	CW342420	3/4"	1650'	2420 lbs	Yellow	2
42026	CW342700	3/4"	1650'	2700 lbs	Yellow	2
42029	CW1143250	1-1/4"	1079'	3250 lbs	Yellow	2
42032	CW1143900	1-1/4"	600'	3900 lbs	Yellow	4
42035	CW1125000	1-1/2"	600'	5000 lbs	Yellow	4
