INTERCHANGE PRO®

1M Finish Fasteners

Our Electro Galvanized finish nails and staples are zinc coated to protect against rust, making them ideal for interior and light exterior projects. These fasteners are perfect for precision work like trim, molding, and cabinetry, ensuring both reliability and a clean appearance.

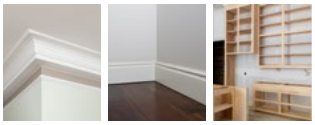

Electro Galvanized Ideal for both indoor & light outdoor use. Ensuring strength & protection with its added corrosion resistance coating. Ideal para uso en interiores y exteriores ligeros. Garantiza fuerza y protección con su revestimiento adicional de resistencia a la corrosión.
